

COVID Safe Plan for School Incursions

Updated Nov 2020

Capacity: Calculated on size of area provided by school in line with Covid-19 controls measures

General Safety Measures:

- We follow government regulations to ensure we only offer events that comply with the size of groups that are allowed to gather at any time
- The headbands of our phasers are washed or sprayed with a hospital-grade disinfectant in between games
- All players will receive the hire of a clean bandanna or they can wear their own
- Pathfinder Events staff are very aware that they are not to work if they are experiencing any signs of sickness without clearance from a medical professional
- Full Covid-Safe Policy <https://app.box.com/s/nu6knpt4jgc4qohwop8gjae44cldyd2s>

Shared Equipment

Shared equipment such as the phasers will require appropriate cleaning and hygiene management including:

- washing hands or using hand sanitiser prior to cleaning or using equipment
- cleaning equipment prior to and after use
- cleaning equipment prior to it arriving at the school grounds and upon leaving

Social Distancing:

- Teachers and chaperones are responsible for ensuring that social distancing measures are maintained between students and guests at all times. If an area has guests in it and social distancing of 1.5metres or 4m² cannot be maintained, then the chaperon should not bring the student group into this area.
- Social distancing must also be maintained between students/teacher/chaperones and Pathfinder Events staff at all times. This includes during greeting at the school and during the event

Hygiene:

- Teachers and chaperones are responsible for ensuring that proper hygiene measures are followed by students during our visit. This means regular and thorough washing and/or sanitising of hands throughout the day in line with Government recommendations.
- Teachers and chaperones are responsible for ensuring that students are not touching surfaces unnecessarily or excessively. This includes inflatable barricades where being used. We understand that some level of touching is unavoidable and necessary, however efforts must be made to minimise this as much as is reasonably practicable.

Managing Sick Students and Staff:

- Schools are responsible for ensuring that staff, students, or chaperones who are displaying any symptoms of COVID-19 are not to attend the incursion
- Pathfinder Events reserves the right to refuse any participant displaying symptoms of COVID-19.
- No staff, students or chaperones are to enter the event area if they have been instructed to self-isolate for any reason, including: Recent travel, Contact with a confirmed case, Awaiting test results for COVID-19

For questions please feel free to contact our team on admin@lasertag.com.au or call 1300 666 559. Thank you for helping us to facilitate a safe and enjoyable event!
